

It's hard to believe that the time of year has almost come again when we say goodbye to many of our children as they continue their journey into Primary School. We have enjoyed being part of their lives for the last year or two and have enjoyed getting to know all of you and your families. Don't forget us and come back to see us once your child starts school.

SPORTS DAY

We will be having our Sports Days on Tuesday 13 June at 1.30pm and Thursday 15 June at 9.30am

We realise that this is a very busy time of year and parents cannot always manage along due to work commitments. Grandparents, relatives and friends are welcome to come along. Please don't worry if you cannot manage. Our Sports only last about half an hour and take place as part of our Gym programme.

NURSERY GARDEN - REQUEST FOR BEDDING PLANTS

Come along any time during the week beginning 12 June and spend some time in the garden with your child. Bring along a small plant or bedding plant and plant it with your child. We are hoping to have lots of flowers in our garden in time for our End of Term Prizegiving. On this day we will also be celebrating our 40th Anniversary and we will be inviting lots of former members of staff to come along and spend some time with us.

KELBURN OUTING - WEDNESDAY 7 JUNE

The bus will leave the nursery at 9.15am.

Please ensure that you and your child are wearing suitable footwear - trainers, wellies. The ground may be wet and muddy. There are lots of activities at Kelburn but please note that the ground can be uneven.

Please bring a packed lunch for both of you.

We have booked the pavilion at Kelburn. You can leave packed lunches and coats. If it rains, we can use it for lunch.

We will arrive back at the nursery at 3.00pm.

Let's hope the sun keeps shining - if it does don't forget your suncream and if it rains - midge repellent might be required! If you have not already done so, please pay your trip money by the end of the week. Thank you.

TRANSFER TO PRIMARY SCHOOL REPORTS

Each session we complete reports that are passed on to your child's school. The report gives the teacher information about your child which will ensure that their learning will carry on as they start school. Dates have been set aside for parents to come along and discuss transition reports with your child's keyworker. If you cannot manage on the allocated date please speak to your child's keyworker who will arrange an alternative date for you.
