

It's hard to believe that the time of year has almost come again when we say goodbye to many of our children as they continue their journey into Primary School. We have enjoyed being part of their lives for the last year or two and have enjoyed getting to know all of you and your families. Don't forget us and come back to see us once your child starts school.

### **NURSERY GARDEN - REQUEST FOR BEDDING PLANTS**

Come along any time during the week beginning 4<sup>th</sup> June and spend some time in the garden with your child. Bring along a small plant or bedding plant and plant it with your child. We are hoping to have lots of flowers in our garden in time for our End of Term Prizegiving.

### **KELBURN OUTING - THURSDAY 14 JUNE**

The bus will leave the nursery at 9.30am.

Please ensure that you and your child are wearing suitable footwear - trainers, wellies. The ground may be wet and muddy. There are lots of activities at Kelburn but please note that the ground can be uneven.

Please bring a packed lunch for both of you.

We have booked the pavilion at Kelburn. You can leave packed lunches and coats. If it rains, we can use it for lunch.

We will arrive back at the nursery at 2.45pm.

Let's hope the sun keeps shining - if it does don't forget your suncream and if it rains - midge repellent might be required!

If you have not already done so, please pay your trip money by **Friday 8 June**. Thank you.

### **TRANSFER TO PRIMARY SCHOOL REPORTS**

### **ANTE-PRE-SCHOOL CHILDREN - PARENTS' MEETING**

Each session we complete reports that are passed on to your child's school. The report gives the teacher information about your child which will ensure that their learning will carry on as

they start school. Dates have been set aside for parents to come along and discuss transition reports with your child's keyworker. If you cannot manage on the allocated date please speak to your child's keyworker who will arrange an alternative date for you.

Dates have also been set aside for parents of ante-pre-school children to come along and have a chat with your child's keyworker

### **QUESTIONNAIRES**

Every year we ask for parents to let us know what they feel about the nursery and the quality of the service we provide. Please fill in your questionnaire and put it in the box in the cloakroom. Your comments help us to improve the service we offer to children and families.
